

# ENGINEERING GRAPHICS FIELD TRIP PERMISSION FORM

April 28, 2008

Dear Parent:

The South Portland High School Engineering Graphics Class is taking a field trip! On May 14, 2008, the class will be going to visit Southern Maine Community College and see their Integrated Manufacturing Technology Program. Students will be able to view the process of designing parts using a computer and then milling the parts with a computer controlled machine.

We are encouraging all students to attend this informational and educational trip, which we feel will be beneficial to all. We hope that your son will be with us. Please fill out the information below and return it to Scott Trebilcock as soon as possible.

If you have any questions about the trip, please give us a call at 767-3266 X256 or email [Trebilsc@spsd.org](mailto:Trebilsc@spsd.org).

Sincerely,

Scott Trebilcock
